

MITCH Charter School Parent Support Organization Mission Statement

The M.I.T.C.H. Charter School Parent Support Organization (PSO), whose membership includes all parents and legal guardians of students currently enrolled at M.I.T.C.H. Charter School, supports the educational programs, curriculum, and extra-curricular activities at M.I.T.C.H. Charter School. Under this umbrella, we focus our efforts on the following activities:

--Encouraging active and positive engagement in our children's education through volunteerism within the school and the Tigard-Tualatin community. Parent volunteers are vital to the daily operations and programs of M.I.T.C.H. Charter School.

--Enhancing the connection between individual families and the school as a whole. We will sponsor events that further a sense of community and ownership among M.I.T.C.H. families.

--Fundraising to support non-budgetary school needs, special expenses, and to contribute to the annual MITCH operating budget upon request and as approved by the PSO Board.

Through the pursuit of these goals, we will enrich our students' educational environment and develop the resources available for use within the M.I.T.C.H. Community.
